Horne victorious at the Kyalami Fidelity Pro-Am Event

Keith Horne showed his class and produced two solid under par rounds of golf (70 + 68) 138 to win the Fidelity sponsored event held at the Kyalami Golf Club from 13-14 July 2021.

The weather was on the cold side, but the golf course was in good shape for this time of the year with fast smooth greens.

While the starting field was not at full strength given that Williams, Kingston, McGuigan and Cruse were competing elsewhere in Europe. Nevertheless, a strong field of 25 professionals competed for the R15 000 first prize on offer. Paul Marks (143) and Callie Swart (145) showed form to finish in the top three.

There were many late withdrawals given the disaster happening in KZN and Gauteng at the same time of the tournament. The Senior Tour thanks Fidelity for their kind and generous support during these trying and unprecedented times.
